

SHARE

BIO

Born in the Netherlands and now based in Ibiza, Sharon Pieksma, known as SHARE, is a DJ and producer focused on house music with a strong emphasis on groove, rhythm, uplifting melodies and flow.

Her sets are built with precision, moving between classic and contemporary influences while maintaining a consistent, driving energy.

Her sound is built on groove-driven house, combining percussive rhythms, deep and rolling baselines, and stripped-back vocals.

The focus remains on flow and control, keeping the energy locked.

SHARE has released music on labels including Crosstown Rebels, Mobilee, Yes yes yes and Abracadabra Records.

Establishing a clear artistic direction within the house space.

She has performed internationally at venues and festivals such as Hi Ibiza, SXM Festival, Untold, Voodoo Village, and Into the Woods, as well as across key markets in Europe, South Africa, Asia, and the US.

With a focus on consistency and musical identity, SHARE continues to develop her presence as a house artist with a defined point of view and a disciplined approach to her craft.
